## Surfactants for Pigment Manufacturing

### SURFACTANTS FOR PIGMENT MANUFACTURING & PIGMENT EMULSION

Noigen X 100	Dispersing agent in organic pigment manufacturing.
Noigen ET 1270	APEO free dispersing agent for pigment manufacturing.
Noigen ET 165	APEO free dispersing agent for pigment paste manufacturing.
Noigen ET 180	APEO free dispersing agent for pigment paste manufacturing.
Noigen SN 100	Emulsifying & dispersing agent for pigment emulsion manufacturing.
Noigen SPD 8	Emulsifying & dispersing agent for pigment emulsion manufacturing.
Noigen PFD 9	APEO free emulsifying & dispersing agent for pigment emulsion.
Shallol AN 103 P	Dispersing, deflocculating & grinding aid for inorganic pigments.
Noigen P 108	APEO free surfactant for pigment manufacturing.
Noigen PD 1210	Emulsifying & dispersing agent for pigment emulsion manufacturing.
